Khon Kaen University (KKU), in collaboration with the Ministry of Higher Education, Science, Research and Innovation (MHESI), convened a major international diplomatic forum to showcase the integration of northeastern Thai (Isan) wisdom with science, technology, and innovation on the global stage. The “Diplomacy and International Partnership Forum on Higher Education, Science, Research and Innovation 2026” featured representatives from 32 embassies spanning Europe, Asia, ASEAN, and other global regions, including numerous ambassadors and deputy heads of diplomatic missions. Participants also included vice presidents and assistant presidents from 15 leading universities across Thailand, and representatives from 14 strategic research institutes and government agencies, such as the National Science and Technology Development Agency (NSTDA), the Program Management Unit on Area Based Development (PMU-A), and the Geo-Informatics and Space Technology Development Agency (GISTDA).
